

# **BEAST TRAINING WRESTLING**

## **SPONSORSHIP FORM**

Our organization, Beast Training Wrestling Academy, is seeking sponsors for the upcoming 2017-18 wrestling season.

Our wrestling club, founded in the summer of 2013, developed to build an elite level of talented athletes through to our local High Schools and beyond.

BTWA was established in order take these talented students to a new level of wrestling.

Our goal is to help develop well-rounded young people who will learn the fundamentals and importance of responsibility, sportsmanship, academics and community pride. BTWA is offering athlete training in our new facility - CT Wrestling Academy with year round wrestling practice and competition as well as top level coaches and clinics.

BEAST had NINE (9) CT State Champions this year (2016-17) and also many New York Champions as well... PLUS took 4<sup>th</sup> as a TEAM at the Youth New Englands and was the Number 1 placing overall CT team - all just this past season!!!

We have trained State Champions as well as New England and National Champs as well!

With any active competing sports team, there are many expenses incurred by the team throughout the season. Uniforms, equipment, and tournament fees are just the beginning. All of our team members are encouraged to participate in our fundraisers and sponsorship drives to help offset these expenses.

Our goal is to attain enough funds to offset the financial demands of operating the club and keep registration fees to a minimum. We would like to improve our new wrestling facility to increase the level of training provided to our wrestlers. We would also like to be able to pay for those who otherwise cannot afford to participate. We hope with the help of our community sponsors, such as you, we can meet or exceed our goals for the year.

We are looking forward to an exciting and rewarding wrestling season!
